

Traditional and seriously comfortable.

Thistleknowe provide the care
when you need it most.

"I've worked here for years, and now they have grown up my two daughters work here too. For me the residents are more like family, I miss them if I'm away! I wouldn't work anywhere else!"

55 Head Street, Beith, Ayrshire, Scotland KA15 2EU
Tel: 01505 502 515

Registered with North Ayrshire Council and the Care Commission

Thistleknowe is a home from home providing a warm, friendly atmosphere with care specialists who help you settle in.

We are a well-established care home with strong links to the local community, clubs and churches. Close proximity to amenities gives you the option to attend planned events and organized trips.

These together with regular visits from chiropodists physiotherapists a hairdresser as well as entertainment focus on your well being. You can also enjoy walks in the tranquil surroundings

Natural balance and well being is the centre of our lifestyle at Thistleknowe because we want to make the most of your long and happy retirement.

You can enjoy relaxed meals prepared by Graeme, our in house chef.

We want it to be your own home.

Our staff specialize in individual needs and requirements and aim to take the stress out of important choices. Tailoring packages to suit individual needs

We limit spaces to provide the best care possible.

We focus on person centred care. To help us to understand your requirements, we like to come and visit all residents prior to staying at the home so you can get to know us and we can get to know you and your needs, helping to make life as comfortable as possible for you.

Once we have done this initial visit we recommend you stay with us for four weeks on a trial basis. This gives you a chance to try us out whilst we work out what care package best suits you.

As well as offering long term care plans we are able to cater for shorter respite visits or holiday stays designed to give both the resident and the carer (when needed) a break.

To discuss your requirements or arrange a visit from one of our team call us on
